

MOHAMAD AKMAL BIN MOHAMAD SUFIAN
akmalsir46@gmail.com

I am writing to express my interest in the said position. I am a passionate and experienced software developer with a Diploma in Computer Sciences and over a year of working experience at Netmedias Leashares Sdn Bhd. I believe that I have the skills, knowledge, and attitude to contribute to the success of your company.

At Netmedias Leashares, I was responsible for leading, developing, and maintaining an in-house web application (Laravel + VueJS) for automated html template and multiple systems. I also supervised interns and another junior in works/adhocs/projects, and fixed bugs from previous developers in the web application. Additionally, I did connection from Laravel to SQL, AWS S3 and Dynamo DB. Some of the achievements that I am proud of are:

- Increased the performance and efficiency of the web application by 50% by optimizing the code and database queries.
- Implemented new features and functionalities that enhanced the user experience and satisfaction, such as a responsive design, a dynamic dashboard, and a notification system.
- Reduced the errors and bugs in the web application by 80% by conducting rigorous testing and debugging.
- Received positive feedback and recognition from the management and colleague for my work quality and professionalism for managing in-house web application.

I am eager to learn new technologies and tools, and I am always willing to take on new challenges and responsibilities. I have excellent communication, collaboration, and problem-solving skills, and I can work independently or as part of a team. I am also flexible and adaptable to changing requirements and deadlines.

I am impressed by the innovative and cutting-edge projects that your company is working on, and I would love to be part of your team. I am confident that I can bring value and growth to your company with my skills and experience.

I would appreciate the opportunity to discuss this position and my qualifications with you in more details. Please feel free to contact me at +60 19 432 0001 or akmalsir46@gmail.com. Thank you for your consideration and I look forward to hearing from you soon.

Sincerely,
Mohamad Akmal bin Mohamad Sufian
